just got better. . .**

# No-Surge™ Soft-Start Technology

A new exclusive feature in all CAST 'Master Series' transformers.  
Extends Lamp Life and Prevents Inrush Problems.

Start  
0 volts

5 Secs.  
6 volts

10 Secs.  
12 volts

Most lamps burn out during initial power-ups.

Soft-Start technology is widely recognized as the best way to extend lamp life.
